Good Day To All,

In this Google Drive you will find the Operational Record Books (ORB) for 77 Sqn RAF for the period Sep 39 to Dec 45.

Included in those ORBs are the:

- monthly RAF Form 540 – Summary of Events ORB;
- monthly RAF Form 541 - Detail of Work Carried Out ORB;
- various appendices with supplementary information including Ops Orders, pictures etc.

Each year has its own named folder with individual monthly documents of the types listed above.

It is my hope that the information is helpful as a resource for all researchers of 77 Sqn, whether they be families, or historian alike.

Mike Anglin

PS. My Dad served with 77 Sqn from Aug 44-May 45, completed 35 Ops with the Tarling crew and made it safely home to Canada.

The information in this drive is also provided in Remembrance of those who made the ultimate sacrifice in defence of freedom.
