

THE STORY OF 77 SQUADRON, ROYAL AIR FORCE

This DVD includes a potted history of 77 Squadron RAF and features interviews with veterans telling of their experiences, and relatives remembering their fathers and grandfathers who were in the squadron, together with the formation and achievements of 77 Squadron Association, the memorial to the squadron. There is excellent narration by previous BBC announcer Richard Clegg, who says, *"It was such a pleasure to be able in some small way to contribute to the memory of the brave and selfless Second World War veterans to whom we all owe so much."*

As Winston Churchill wrote, *"Only the Air Force can win the war. The fighters are our salvation, but the bombers alone provide the means of victory."*

The film was compiled and edited by Van Wilson, with video recordings by Rachel Semlyen. Produced by Hewitt and Walker of York and funded entirely by members and friends of 77 Squadron Association.

They came from all the Allied nations
